UK AG IT
UPDATE
APR 2020

EXTERNAL SENDER TAGGING

- As of Friday April 10th, UKITS has enabled external sender tagging

- If you see a message with this tag at the top, please note that it is not coming from a UK email address

- Does not necessarily mean it is spam

- Hopefully this will help with some of the impersonation attempts

CAUTION: External Sender

DIGITAL SIGNATURES

- Recommend that you use Adobe Acrobat Pro DC for digital signatures

- If you have an older version of Acrobat, please let me know and I can help you upgrade to DC

- You will want to use the "fill and sign" or "certificate" options

- Can set digital signature to use an image of your physical signature if desired

DIGITAL SIGNATURES

- Chad has a training on Adobe with details on digital signatures at https://web.microsoftstream.com/video/929423d4-93be-404f-ba9f-f03e4e7727a7?channelId=88e56991-6a0c-4991-a34b-6a3bf41c2839

- The 93 minute mark has detailed instructions on how to create and use a new certificate

- Can set digital signature to use an image of your physical signature if desired
