Voluntary Self-Identification of Protected Veteran Status

The University of Kentucky is a Government contractor subject to the Vietnam Era Veterans' Readjustment Assistance Act of 1974, as amended by the Jobs for Veterans Act of 2002, 38 U.S.C. 4212 (VEVRAA), which requires Government contractors to take affirmative action to employ and advance in employment: (1) disabled veterans; (2) recently separated veterans; (3) active duty wartime or campaign badge veterans; and (4) Armed Forces service medal veterans. These classifications are defined as follows:

A "disabled veteran" is one of the following:

- a veteran of the U.S. military, ground, naval or air service who is entitled to compensation (or who but for the receipt of military retired pay would be entitled to compensation) under laws administered by the Secretary of Veterans Affairs; or
- a person who was discharged or released from active duty because of a service-connected disability.

A "recently separated veteran" means any veteran during the three-year period beginning on the date of such veteran's discharge or release from active duty in the U.S. military, ground, naval, or air service.

An "active duty wartime or campaign badge veteran" means a veteran who served on active duty in the U.S. military, ground, naval or air service during a war, or in a campaign or expedition for which a campaign badge has been authorized under the laws administered by the Department of Defense.

An "Armed forces service medal veteran" means a veteran who, while serving on active duty in the U.S. military, ground, naval or air service, participated in a United States military operation for which an Armed Forces service medal was awarded pursuant to Executive Order 12985.

The information you submit will be kept confidential. Submission of this information is voluntary and refusal to provide it will not subject you to any adverse treatment. The information provided will be used only in ways that are not inconsistent with the Vietnam Era Veterans' Readjustment Assistance Act of 1974, as amended.

UNIVERSITY OF KENTUCKY DRUG-FREE POLICY NOTIFICATION FORM

The Federal Drug-Free Workplace Act of 1988 (section 5151) requires that all employees receive a copy of the University's policy, which declares that UK is a drug-free workplace. This policy notification and the signed statement (below) insure the University's compliance with the federal law. For purposes of the law and this policy, drug is defined as "controlled substance," which means any controlled substance in schedules I though V of section 2020 of the Controlled Substance Act, which, in turn, means virtually every controlled substance from the worst street drugs to mild prescription drugs: the two substances not covered by the Federal Drug-Free Workplace Act are alcohol and tobacco products. However, another federal law, Drug-Free Schools and Communities Act Amendments of 1989, requires annual distribution, in writing, to each employee the University's standard of conduct, which clearly prohibits the unlawful possession, use, or distribution of illicit drugs and alcohol by employees while on University property or as a part of the University's activities. The entire text of the University's policy and procedures for being a drug-free workplace is contained in AR II-1.1-10 and in Staff Personnel Policy and Procedures Number 13.0: Drug Abuse Policy. The University's alcohol policy is contained in AR II-1.1-11 and in Staff Personnel Policy and Procedures Number 12.0: Alcohol Abuse Policy.

The University of Kentucky is committed to providing a drug-free workplace for its employees. Accordingly, it is a violation of University policy for an employee to unlawfully manufacture, distribute, dispense, or use a controlled substance and to unlawfully possess, use, or distribute alcohol while in the workplace or on university business. It is University policy that a violation of the above shall result in appropriate action, which may include referral to an employee assistance program/rehabilitation program and/or disciplinary action up to and including suspension or dismissal. Additionally, the University has drug-free and alcohol awareness programs, which include educational programs and general information on the following:

- 1. The dangers of drug and alcohol use and abuse in the workplace;
- 2. The details of the University's Drug Abuse Policy (AR II-1.1-10 and Policy 13.0) the university's Alcohol Abuse Policy (AR II-1.1-11 and Policy 12.0), and
- 3. The availability of drug and alcohol counseling, rehabilitation, and employee assistance programs.

After reading this policy notification, it is requested that you read and sign the following certification. This document will be placed in your personnel file in the sector personnel office.

Drug-Free Workplace Policy Certification

In accordance with federal law and University policy, I understand the following:

- 1. That I shall notify my immediate supervisor within five (5) days of my conviction of any criminal drug statute violation, which occurred in the workplace or while on University business:
- 2. That, if I am employed on a federal grant or contract, the University shall notify the granting or contracting agency within ten (10) days of receiving notice of my conviction; and
- 3. That the University shall take appropriate action, as outlined in AR II-1.1-10, within thirty (30) of receiving notice of my conviction.

I have read carefully the policy notification and the above. I fully understand the information and requirements contained herein. I further understand that failure to abide by the University's Drug Abuse Policy or Alcohol Abuse Policy may result in my being required to participate satisfactorily in a drug or alcohol abuse assistance/rehabilitation program and/or in disciplinary action up to and/or including dismissal.
