Corner of Cross Main & Ballard
(Behind the Judicial Center)

Why?

Development

Planning

Goal:

- Create an outdoor festival that will attract families, business people, farms, school kids, and anyone that we could influence and educate about the importance of sustainability

Planning for our 6th Festival

Changes in Date & Time

- This year's festival: April 26, 2019
- Try to plan for weekend around Earth Day
- Avoid weekends with major events, like Thunder over Louisville
- Last year, we changed from Saturday to Friday evening with success

Weather

- Always unpredictable – 3 wet & 2 dry so far
- Plays a role in attendance

Vendors & Attractions

- Food Variety: taco truck, a grilled cheese truck, a BBQ truck, & gelato truck
- Vendors: have been attracting more crafters & artists
- Attractions: Kermit the Frog, Raptor Rehabilitation of KY, Inc., creating an Imagination Station
