# Previously Existing SPIN clubs and clubs

Sewing

Teen council

Clever Clovers

Cloverbuds

# Newly added SPIN clubs and clubs

Home school

Photography

Bee keeping

Fine Arts

Horticulture Judging

Cooking

# Selection Process

Asked teens, parents, new 4-H members, volunteers, and kids not involved in 4-H outside of school, what their dream 4-H program looked like.

Talked to co-workers and former agents about what had been tried in the past and why it did or didn't work.

Asked other extension sponsored clubs/ groups about what they thought was needed.

Looked at participation in county events.

# Home School Club

Learn everyday cooking skills and recipes

Complete a service learning project

Work on fair entries

# Photography Club

Learn Principles of photography

Create Fair Projects
