University of Kentucky
6th Annual
Jr. MANRRS
Leadership Institute

Changing the Face of Agriculture by Linking Hands Around the World
2016 Jr. MANRRS Leadership Institute
https://www.youtube.com/watch?v=KPoSTuST3uM
Benefits of Jr. MANRRS

- Encourages students to have a positive attitude towards academic excellence
- Stimulates enthusiasm about science, technology, engineering, agriculture, and mathematics
- Encourages 7th-12th graders to pursue degrees in agriculture, natural resources and/or related sciences
- Increases the number of underserved and underrepresented students attending and graduating from college
- Provides mentorship from collegiate students and career professionals
- Encourages and supports parental commitment to children’s education
- Raises cultural awareness among students
- Prepare youth to think critically
Benefits of Jr. MANRRS

Our conferences offer innovative programming designed to expose youth to science, technology, engineering, agriculture, and mathematics (STEAM)

• Annual National Conference
• Regional Clusters
• State Leadership Institute
• State Competitions
• National Competitions
• AgDiscovery Summer Research Program
Preparing for the Future

- Provides students with access to more than 60 chapters at colleges and universities that provide agricultural and related sciences majors
- Provides leadership and professional development skills, such as dressing for success, interviewing skills, writing resumes, learning proper dinner etiquette, completing college applications and essays, and networking opportunities
- College Admissions Preparation: Obtain materials to prepare you for the SAT and ACT
- Receive college application information, including how to get into college, financial aid information, etc.
- Opportunities to be mentored and/or tutored by college students or professionals currently working in a STEAM field
- John Deere Scholarships and Awards
- Leadership Development: Develop your leadership skills by serving in many chapter and some regional leadership roles
- Opportunities to meet other Jr. MANRRS members, collegiate members, and alumni members from around the country
How to Start a Chapter

• County office will notify the Office of Diversity (OOD)
• OOD will send Jr. MANRRS Start up Kit to school/community volunteer
• Meeting scheduled with the county agent and/or volunteer, and the OOD
• Chapter invites the OOD to the first meeting to present club kit
• Deemed an official Jr. MANRRS Chapter
• Any agent can start a program, this is not for 4-H agents only
